

http::IBasicObject

```
classDiagram
    class http_IBasicObject["http::IBasicObject"]
    class http_IRequest["http::IRequest"]
    http_IRequest --|> http_IBasicObject
```

The diagram illustrates an inheritance relationship between two classes. At the top is a white rectangular box with a black border containing the text 'http::IBasicObject'. Below it is a gray rectangular box with a black border containing the text 'http::IRequest'. A solid blue arrow points vertically upwards from the bottom center of the gray box to the bottom center of the white box, indicating that 'http::IRequest' inherits from 'http::IBasicObject'.

http::IRequest
